

CURRICULUM VITAE

David Gubeladze (CV)

Personal Information

Name, Surname	Davit Gubeladze	Date of Birth	14 October, 1959.
Address	Work Place Ltd Tbilisi David Agmashenebeli Teaching University Head of Quality Assurance Department	Place of Birth	Tbilisi, Georgia
	Address of Work Place: Home Address: Gvetadze st.#8, Tbilisi-0119	Nationality	Georgian
		Gender	Male
		Marital Status	Married
		Children	Two children
Tel.#	(995 32) 2343283 (Home) Mob: 599 505151	ID	01017003784
E-mail	davidgubeladze14@yahoo.com		13IN71320

Education

1978-1983 years	Agricultural Institute of Georgia Engineer-Hydro Technician, Diploma (With Honors) Г-1 173996;
1994-1999 years	Agricultural State University of Georgia Lawyer-Economist, Diploma (With Honors) GSAU #N005118.
1998-1999 years	Ilia Chavchavadze Foreign Language Pedagogical Institute Internship courses in Foreign Countries, Certificate
1983-1988 years	Post-Graduate Studentship of Water Problems Institute of Academy of Sciences of Russia

Scientific Degree and Title

2005 y.	Academician of National and Social Relations Academy of Georgia, Diploma #382
1997 y.	Academician of International Academy of Ecology and Nature Management, (IAENM), Diploma N 286-97;
1997 y.	Doctor of Technical Sciences, Diploma №000614;
1988 y.	Candidate of Technical Sciences, Diploma TH-#117658;
Scientific Title Granted	Certificate of Professor IIP №006239;

Professional Experience

2019y – to day	Ltd Tbilisi David Agmashenebeli Teaching University, Head of Quality Assurance Department
2015y – 2018y	Ltd Tbilisi Teaching University , Head of Quality Assurance Department
2015y – to day	Georgian Technical University, Professor of the Faculty of Agrarian Sciences and Bio System Engineering
2011 – 2016	Tbilisi Teaching University, Adviser of Rector, Head of Agrarian and Engineering Direction
2013-2015	Georgian Technical University, Professor of Construction Faculty
2011-2016	Expert in Agro Engineering Field of National Center for Educational Quality Enhancement of Georgia

2011 – 2013	Agricultural State University of Georgia, Full Professor of the Faculty of Engineering Technology
2007 – 2011	Agricultural State University of Georgia, Head of Quality Department, Full Professor of Agro Engineering Faculty, 0,5 staff unit
2005 – 2007	Ministry of Agriculture of Georgia, Chairman of the Department of Management of Melioration Systems Agricultural State University of Georgia, Full Professor of Agro Engineering Faculty, 0,5 staff unit
1989 – 2005	Agricultural State University of Georgia, Head of the Department of Post-graduate and Doctoral Studies
1983 – 2007	Agricultural State University of Georgia, laboratory assistant, senior teacher, docent, professor of the Faculty of Hydro Melioration, Department of Hydro Technical and Engineering Ecology.

Construction Practical Experience on Irrigation Systems

2005 – 2007	Ministry of Agriculture of Georgia, Chairman of the Department of Management of Melioration Systems Supervision of the Department of Exploitation of Irrigation Systems
2005 – 2007	Ministry of Agriculture of Georgia, Chairman of the Evaluation Commission of the Rehabilitation Construction Works of Irrigation Systems
2013 - 2014	Consultancy Services for the Preparation of Feasibility Studies for the Selection of Viable Irrigation. Schemes for rehabilitation Georgia. Branch Eptisa Servicios de Ingenieria S.L.

Participation in the Councils which granted Scientific Degrees and Titles

1999 – 2006	Agricultural State University of Georgia Member with the specialty of “Agricultural Melioration” (Code 06.01.02) of the Dissertation Council which granted Doctoral and Candidate Degrees.
1997 – 2006	Agricultural State University of Georgia Member with the specialty of “Agricultural Melioration” (Code 06.01.02) of the Council of Professors which granted Scientific-pedagogical titles to Docent and Professor.

PPedagogical Experience

1988 -	25 years pedagogical experience Since 1995 professor – Diploma №006239.
1995 -	1995–2005 Elected as a professor, 10 years experience 2005-2009. 2009-2013. Elected as a Full Professor, 8 years experience Agricultural State University of Georgia
L2011-2015 Lectures held	1. Melioration Hydro Technical Buildings 2. Soils Mechanics and Foundations 3. Introduction to Soil and Water Resources in Engineering 4. Melioration Hydro Geology
1995-2011 Lectures held	1. Complex Utilization and Protection of Water Resources; 2. Engineering Ecology; 3. Agricultural Water Supply; 4. Engineering Means of Environmental Protection; 5. Hidrometria, Hydrology, Runoff Regulation; 6. Pumps and Pumping Station; 7. Hydraulics; 8. Hydro Technical Buildings; 9. Engineering Melioration; 10. Water Ecology; 11. Irrigation and Drainage;

	12. Engineering Buildings; 13. Knowledge of Soil and Foundations; 14. Melioration Buildings; 15. Construction Organization; 16. Management of Water Systems;
--	--

Preparation of Scientific Staff

1997 -	Scientific Head – with the specialty of “Agricultural Melioration” - Doctoral Dissertations on the topic: Theoretical and Practical Aspects of the Definition of Filtration Costs of Hydro Melioration Systems”; Topic – “Impact of Erosive Processes on Irrigation Agriculture” etc. 4 Doctoral Dissertations and 30 Master’s Thesis are defended by my guidance.

Internship, Consultation and Participation in Conferences

2014	Netherlands. Water Education Institute of UNESCO, Delfi International Internship, joint project of Agricultural University of Armenia and Construction Faculty of Georgian Technical University. Internship. Certificate.
2012	Tempus & Erasmus Mundus Opportunities For The Eastern Partnership. Kiev, Ukraine.
2010	Development of New Educational Programs of Master’s Agricultural Economic Field and Sharing Experiences, Munich, Germany.
2008	Water International University of UNESCO, Management of Water Resources, Internship, Certificate and Diploma, Delfi, Netherlands.
2006	“ Food Safety Well Being of Agricultural Activity ” Italy, Pruji Agricultural University, Certificate; “ Agro Business Sector, Innovation Possibilities and Prospects of Development ”, Rennes High School, France
2005	„ Irrigation and Drainage ” International Conference organized by World Bank , Tarbes, France; “ Food Products Technologies in Agriculture ”, Cranfield University, London, England. “Development of Master Programs in Agro Technological Service Centers”, Rennes High School, France.
2004	“ Technologies of Shallow Planting and Optimal Irrigation ”, TICA International Conference – Training, Turkey, Istanbul, Certificate.
2003	Mobility of Educational Programs in International Agricultural Educational Systems in Boku Agricultural University, Austria, Perugia Agricultural University of Italy.
2002	Career Resource Center (CRC), Central European University (CEU). Participated in the Conference for Young Teachers and Professors of High Schools: “Evaluation and Policy of the Impact on the Environment” . Budapest, Hungary.
2000	10th International Stockholm Water Symposium. Delegate, Stockholm, Sweden.

Participation in Various International Projects

2010 –2013	Tempusis – Grant –MMaster Programs in Biology Sciences – with Agro Biology Specialty. Participant Universities: Greenfield University, Alicante University, Aristotele University, Tbilisi State University, Armenia State University, Akaki Tsereteli State University in Kutaisi, Agricultural State University of Georgia. Participant of the Grant.
2010	“About the Cooperation of University of Vine Stefan Applied Sciences with Agricultural State University of Georgia”, Development of Joint Agrarian Management Master Program, Germany.

2006 – 2009	“Water Resources Management of Agro-Eco-Systems in the South Caucasus Trans Boundary Regions” (Armenia, Azerbaijan, Georgia); Project SfP 982227; Grant Participants: University of Georgia (USA), Agricultural State University of Georgia, Agricultural Higher Universities of Armenia and Azerbaijan.
-------------	--

Government Awards

1998	Chevalier (Knight) of Honor
1997 – 2000	I degree scholarship of young doctoral students of the President of Georgia.

ELanguages and Computer Skills

Knowledge of Languages	Georgian (native) English (Upper Intermediate) Russian – Good
Computer Programs	“Microsoft Office Programs 2013”, Photoshop, Corel Draw, Internet Explorer, AutoCAD, Certificate – PKK #0115.

Publications

Scientific works	111 Scientific works published , 4 methodical instructions and 4 monographs – about optimal management of water resources and ecological problems of rivers concerning water erosion issues of soil.
Inventions	Technical equipment defining sustainability of particles located on the bottom which studies washes of river-bed.
Publications	<ol style="list-style-type: none"> 1. AgriculturalEAEconomic Dictionary – English-French-Georgian Languages. Tbilisi. 2. Forecast and Calculation of Water Erosive Processes - Monograph. 3. Theoretical and Practical Aspects to define filtration costs in Hydro Melioration Systems. 4. Dynamics of river flows and Lithodynamics of the sea coastal zone - Monograph – Publisher: Academy of Sciences of Russia. Moscow.
